WHAT IS FUSOFIRST?

FUSOFIRST.COM IS HERE

WHAT IS FUSOFIRST?

FusoFirst is a customer service program aimed at delivering premium product support for FUSO trucks. These product support components are available to all FUSO truck owners and operators.

Fusofirst.com is a mobile-accessible hub for FUSO technical and operational information, instructional videos and technology-based resources for FUSO truck owners and operators. You can access it anywhere an Internet connection is available from a smart device or computer.

Support tools available through FusoFirst include:

VEHICLE SUPPORT WIZARD

Step-by-step, symptom-specific troubleshooting tips help minimize unplanned downtime.

ROADSIDE ASSISTANCE

Fast dispatch service is available 24/7 for towing, jump-starts, lockouts and more. Dial 866-501-FUSO (3876) for assistance.

VEHICLE SUPPORT VIDEOS

Show you the right way to operate and care for your FUSO truck.

RESOURCES

Informative, easy-to-read guides that cover a wide range of vehicle topics.

DEALER LOCATOR

When you need service or parts, you can find your dealership quickly and easily.
